TREAD LIGHTLY & LIVE FULLY AT KLASERIE SANDS SAFARI TRAILS

Klaserie Sands Safari Trails is the sister camp of internationally renowned Klaserie Sands River Camp. Perfectly blending serenity, luxury and adventure, this exclusive camp offers guests a deep and rich immersion in untouched nature within the wildlife-rich Greater Kruger National Park. Comprising four spacious tents built into the banks of a riverbed, the camp provides an oasis of luxury amidst the untamed beauty of the surrounding Kruger wilderness. Offering unprecedented intimacy, Klaserie Sands Safari Trails guests have exclusive access to the vast area's abundant animal paths, hidden valleys, river beds and towering peaks.

The camp is staffed by two industry-leading game rangers and a private chef, who will tailor the day's activities and meals according to guests' personal preferences. Activities on offer include specialised walking safaris, game drives, bird-watching, photographic excursions, star-gazing and unforgettable bush dining experiences. Guests can choose their preferred morning and late afternoon activities and take advantage of the camp's refreshing plunge pool, open-air lounge and bar service during the heat of the day.

At Klaserie Sands Safari Trails, we aim to instil true reconnection in our guest experience - connection with people, nature and self. As such, the camp is located in an area with no electricity or Wifi signal and very limited cell phone signal. 24/7 radio access means that we are reachable in the case of an emergency but we highly encourage our guests to switch off and use the opportunity to experience true connectivity.
